

Jasper County Soil Campaign

November is the time of the year to get your soil tested! Thanksgiving is an easy way to remember because hopefully you will some have family at home to help you.

Soils change over the course of a year with varying temperatures, exposure to sunlight and rain fall amounts, and this can cause soil test to vary if done at different times of the year. Soil testing is OK to do anytime of the year, just remember it is more accurate if done the same time each year.

Jasper County Texas A&M AgriLife Extension service offers soil testing for

\$4 per sample

No shipping costs!

Pick up your sample bags (limit 4 per person) and drop off at the Jasper Extension Office

409-384-3721

103 E. Houston St. Jasper, TX 75951

DEADLINE: Bring samples to office December 1-4, 2015
