SODBUSTERS SYMPOSIUM

The Bulb Hunter, Chris Wiesinger, sets out to recapture something that was once lost — bulbs that thrive in warm climates, many of which are rare, heirloom or both. He makes a living finding pretty things in ravaged places.

Melda Siebe, Wild Thymes Herb Farm, reliable herbs for East Texas and Louisiana climate and soils.

Not all lavender is created equal!

Randall Kroll, Texas Parks and Wildlife, Animals You Might See in Your Garden.

Some people want to invite wildlife in — plant forage for them!

Some people don't want animal moochers — what plants are deer resistant, for instance?

COME enjoy the SHOPPING!

*bid on the silent auction
even if you don't attend the whole event!*

Jasper Master Gardener plant sale, Wild Thymes Herbs, local honey and homemade jams and jellies, handcrafted jewelry, woodworking, garden art and accessories, bird-houses, books & more.

Anyone can buy, and anyone can bid on the silent auction (*live auction is for ticket holders only*) and everyone can try their luck at the raffle.

If you have friends or family who can't join you for the whole day, please invite them to come shop anytime between 9 am and 3 pm.
